

# ABSTRACTS/POSTERS

All participants are invited to submit research results for presentations as posters. Topics of interest are diagnostic methods, surveillance strategies, BVDV and the immune system, vaccine response and determining efficacy and economic impact of BVDV infections.

The deadline for abstract submissions is November 30, 2005. Some abstracts will be selected for 15 minute presentations. Abstracts selected for presentations will be done by the organizing committee as soon as possible following the deadline.

## INSTRUCTIONS FOR ABSTRACTS:

- Abstract forms are not provided
- The entire abstract, including title and author(s) must be 150 words or less
- Use Times Roman 12-pt font
- Type the title first. Next list authors, using an asterisk (\*) to denote the presenting author. Leave one line blank following the last author, then list the author's institutions and short addresses.
- Italicize scientific names
- Abbreviations which are generally understood are acceptable
- Email the abstract (preferably as an attachment) to [bvdconf@cornell.edu](mailto:bvdconf@cornell.edu).
